Portable Air Conditioner

Why Choose Portable Air Conditioner A5PA15E?

Stay cool wherever you are with the Acson A5PA15E. Just plug it in, roll it to any room, and enjoy instant comfort.

Features

1. Portable & Flexible Design

Easily move the A5PA15E from room to room with its built-in castors. Perfect for homes, offices, or any space that needs cooling.

2. Front Flow Cooling

Delivers cool air directly and evenly across the room for consistent, all-around comfort.

3. Powerful Air Flow

Experience the power of rapid and strong cooling air flow, providing maximum comfort in every corner.

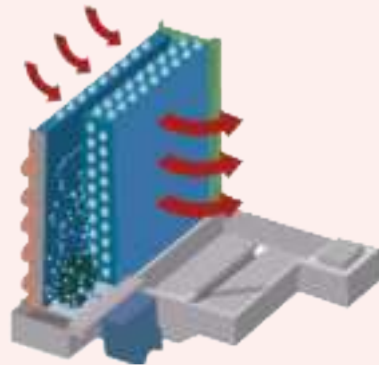

4. Self-Evaporative System

The innovative self-evaporating technology minimizes the need to manually empty the water tank.

Remark:

Water may need to be drained especially in high humidity areas.

5. Easy Installation and Maintenance

No permanent installation, just plug it in and enjoy the cool breeze. With the idea of hassle-free maintenance, the easily accessible filter makes cleaning quick and simple.

Stay Cool Effortlessly with the Easi Touch App

With the Easi Touch App, you can turn on the air conditioner without leaving your seat. Adjust temperature, fan speed, and operating modes with a few taps on your phone.
